**Subject:** RE: This one -- RE: Rosemont 1-pager for new RA

Since I'm going over four other papers assigned to WD, I'm going to skip this one for now.

**Importance:** High

I found a couple of typos I introduced. Use this one. Still 1 page. ☺

Thanks Kathy. Jessica is rounding up the submittals from WTR, and I believe this was the only one requested of my branch. Here are my proposed revisions.

It was quite a challenge to get this all on one page. Because we need to send it to Bill Keener tomorrow (he originally requested it by today, but I bought us a slight reprieve), I am sending it to all of you for simultaneous review. Please let me know if you see any glaring omissions, inaccuracies, or other serious problems. We will likely get another crack at this by the time we actually have a new RA.
